DEVELOPMENT AND  
FOOD SECURITY**

**NÔ FIA NA CRIAS  
- INTEGRATED  
COOPERATIVE AND  
COMMUNITY SYSTEM  
FOR POULTRY, GOAT  
FARMING AND BY-  
PRODUCTS FOR THE  
CACHEU REGION**

### **Activities | Results**

- Establish a sustainable cooperative and community production system of chicks and chickens.
- Build a meat-processing unit and create a chicken's trade system at community and regional level.
- Develop a pilot initiative of goat production for by-products trading (milk).
- Implement a training/information programme targeting breeders, primary animal health care workers and broader community.
