

**SUPPORT TO
MANAGEMENT AND
ORGANISATION OF THE
MUNICIPALISATION OF
HEALTH SERVICES**

Angola

May 2016 – May 2018 (Bié)

Jul 2016 – Jul 2018 (Benguela)

Overview

Support the organisation and management of the health services municipalisation process, by providing ongoing and on-site support to the planning, implementation, monitoring, supervision, information, among others, in six municipalities: Kuito, Andulo and Camacupa (Bié) and Benguela, Lobito and Ganda (Benguela).

HEALTH

**SUPPORT TO
MANAGEMENT AND
ORGANISATION OF THE
MUNICIPALISATION OF
HEALTH SERVICES**

Activities | Results

• Support the elaboration of planning, budgeting and monitoring processes of the municipal health authorities, in particular:

- Drafting and update of healthcare maps and regular reporting;
- Implementation of capacity building activities;
- Implementation and functioning of the auditing committees and prevention of maternal, neonatal and child mortality at municipal level.
